Wood was arraigned in Market Court this morning by Detec-

Milk Cases Before Grand Jury.

President Wilson, of the Board of Health was highly indignant this morning because Mast hold men arreated by Health Board Inspectors for selling adulterated milk. He said their action was in direct violation of Section 53 of the Combolidation acts, which requires magistrates to hold the accused for trial at Special Seasions upon the submission of evidence. He has brought one case and will bring the other before the Grand Jury.

Waring Offsets a Delegate.

Commissioner of Street-Cleaning Waring this Commissioner of Street-Cleaning Waring this morning notified the employees and ex-employees of his department to whom extra pay of 1894 is still due that he was giving the matter his close attention and would see that they get all that is coming to them. The notice was issued because Pairies McNuilly an ex-employee of the Department, but at present Waiking Doingste for the Drivers and Hostlers' inhib, has made an effort to collect 40 cents froga each one of the claimants upon the representation that he will get them the money. arrest on this charge until taken into

TOOK HIS LIFE IN THE EMPIRE.

Broker C. A. Kimball Found Dead with His Room Full of Gas.

Charles A. Kimball, sixty-one years old, a well-known Produce Exchange broker, was found lying dead in his bed from gas asphyxiation in his room in the Hotel Empire, Boulevard and Sixty-third street, at 4.45 this morning. He had committed suicide.

Mr. Kimball was a broker, of the firm of Rohe Bros., 344 Produce Exchange, and transacted all their heavy operations. His accounts are all straight, and no motive for the suicide is known except that Mr. Kimball was a sufferer from a chronic ailment, which frequent-iy caused him excruciating pain.

Nellie Wright a Laudanum Fierd! Nellie Wright, the young woman who, it is alleged, attempted to commit suicido by taking laudanum in Anthony Papanscheck's drug store, 104 Manhattan avenue, Greenpoint, Saturday 104 Manhattan avenue, Greenpoint, Saturday night, was arraigned in Ewen Street Court. Williamsburg, this morning and held in \$1,000 ball. She was sent, a grisoner, back to St. Catherine's Hospital, where she sent a telegram to John Swift. City Works, aPierson, N. J., stating that she was in serious trouble and asking him to tell "Aunt Julia" to come to her at once. Miss Wright lived at \$21 Manhattan avenue, and is said to be addicted to the use of landanum. An elderly gentliman who offered to pay for the landanum purchased by Miss Wright has not been located or identified.

Yesterday's Test.

hands trembled and his face looked pale. Awaiting Her Races with Vigilant Lucid Sends Them Up for the Pollings Are Taking Place To-Day Over the Cup Courses.

Returns to Pristol. NEWPORT, R. L., July 15.-The sloot acht Defender picked up her mudhook this morning and set working sail for a short spin. It is not likely that she will return to this harbor, but will probably so direct to Bristol, where the few remaining details of work will be finished. The test of Defender against Vigilant the harbor yesterday has filled the enthusiasts with renewed hope. It is assumed that the new yacht is far and test.

on her simple showing in the "brush." Conservative judges, though, are not inclined to make so much capital of the affair. They teason that there were irregua man went to Essex Market Police larities in the conditions that reduce the Court and there asked if it would cost tremendous superiority attributed to the larities in the conditions that reduce the new Herreshoffer by many degrees, and

their argument. "Now," exclaimed Mr. Moss, "I want Defender is practically in racing trim this man Hochstim to stand up and be and had an advantage in that particuldentified in this court-room!" lar. Vigilant had stores, anchors Commissioner Grant ordered Hochstim to stand. He did so. Then the spars and sails, and many other things to handleap her. Defender's crew has it of handleap her. Defender's crew has to handleap her. Defender's training did to Griffin. No runs. Griffin hase on balls. Shindle hit to the record Mr. Moss's remarks, for on looking over the spectators I am of the is a thoroughly organized corps. No same opinion that there is a hard look-Commissioner Grant ordered Hoch- chains, cabin fittings, small boats, spare

and discipline together on Colonia, and is a thoroughly organized corps. No measurements for racing lengths have been figured and the race had no fixed turning marks.

In view of all these things, the cautious ones say that while they hope the Defender is minutes upon minutes the faster, yesterday's trial failed to demonstrate that fact.

Speculation will continue until the boats meet over the regular Cup courses off Sandy Hook next Saturday. The races should be little short, in interest, of the actual races for the trophy itself mext September.

Defender will go out for another sail Wednesday, after which she will go to New York. It is said that more sail will be added to the boat before she enters the races.

Colonia is still here.

BILISTOL, R. I., July 16—Defender arrived here at 2.30 this afternoon in tow of a tug. She sailed about off Newpert this forenoon, and was given a very satisfactory trial before being taken in the work of a tug. She sailed about off Newpert this forenoon, and was given a very satisfactory trial before being taken in the court was not a school for sentiment the court-room this morning was crowded with curiosity seekers.

was allowed, and the witness said Waler had given him the letter Walter Henry, the "good son," then took the stand. He spoke in a quick barry has ex-

separation."
"Did not your brother William want you to join with him so that the two of you could divide up the old man's property?"
"No. sir, he did not."
"What! Did you not state that he

"What! Did you not state that he did?"

No, sir. I did not state it."

Mr. Ridgway began to look tired. Walter had gone back on the police. He was particularly savage when Walter, in reply to further questions, sak he had never seen his father that money from the much talked of classics he (Walter) had been living at the house.

"Now," said Mr. Backus, jumping up "Mr. Ridgway has asked you certain questions here. Is 't not a fact that you saw him before you saw me, and that he then asked you a number of questions and that they were all takes down by a stengrapher?"

"Yes." Walter answered.
Then Mr. Backus switched off on track that promises sensational development.

When the trial was resumed to-day, Lawyer Evans, of the defense, asked the Court to strike from the record all reference in the testimony of Maria Barberi to the razor with which she killed Cataldo. He claimed the defendant could not be forced to incriminate herself in any way and that the testimony in regard to the razor would tend to do so. The motion was denied and the defense rested.

The State then rested, and Mr. Evans asked for dismisal on the usual grounds. His motions were denied.

Mr. Evans made the appeal to the jury for the defendant. While he was speaking the girl sat facing the juryers and a few of the Patten's bassening and watched them closely. The is wyer recited the wrongs his client had suffered and evidently trusted to pity in the minds of the jurors to save the girl. Mr. Evans had not concluded his address when a recess was taken.

MARSHAL MITCHEL OUT.

The Patten's way was blocked by down the Little Silver in the Little Silver and the Little Silver and the Little Silver in the collision, declaring the Patten's bassening the patten was not injured, as far as could be discovered. Capt. Lewis and price was entitled to the dook.

Lapt H. B. Edwards, Jr. both lay the blame on Capt. Lewis, and way it was not an accident at all, but a deliberate and inexcusable attempt to disable their boat.

MR Evans had not concluded his address when a recess was taken.

MARSHAL MITCHEL OUT.

The Patten was not injured, as far as could be discovered. Capt. Lewis and Pilot Minton both disclaim responsibility for the collision, declaring the Patten was entitled to the dock Capt. H. E. Edwards, of the Little Silver, and Pilot H. R. Edwards, Jr. both lay the blame on Capt. Lewis, and say it was not an accident at all, but a deliberate and thexcusable attempt to disable their boat.
